GENERATOR CERTIFICATION AND GUARANTEE Please Read and Sign Below

As the generator of the material (waste) described above, I hereby certify that the information contained in this document is 100% accurate and complete. I further certify that this material **does not constitute a hazardous waste pursuant to federal, state or local laws** and has NOT been mixed with any chlorinated solvents or any other contaminants including, without limitation, PCBs, pesticides, or other hazardous wastes. In the event that the material described in this profile is in fact a hazardous waste or contains PCBs rendering it as a TSCA-regulated material, I guarantee to pay all costs necessary for proper analysis, transportation, storage, and disposal as well as any fines or penalties resulting from inaccurate or incomplete information concerning the material described above. Generator agrees to promptly notify Crandall Corporation of any change in the composition of the material or process generating the material and not deliver or arrange for delivery to Crandall Corporation of any non-conforming material. The undersigned is an authorized representative of the generator.
